

Native Seattle: histories from the crossing-over place, 2009, 326 pages, Coll-Peter Thrush, 0295989920, 9780295989921, University of Washington Press, 2009

In traditional scholarship, Native Americans have been conspicuously absent from urban history. Indians appear at the time of contact, are involved in fighting or treaties, and then seem to vanish, usually onto reservations. In Native Seattle, Coll Thrush explodes the commonly accepted notion that Indians and cities-and thus Indian and urban histories-are mutually exclusive, that Indians and cities cannot coexist, and that one must necessarily be eclipsed by the other. Native people and places played a vital part in the founding of Seattle and in what the city is today, just as urban changes transformed what it meant to be Native.
